Support for ADSP-SC598 Open Discussion

- RT Rist Tobias
- **Forum name:** #Debugging

Hi,
I need support for ADSP-SC598. I use latest trace32 version:02/2025 but I can only select the old ADSP-SC589 cpu.

BR
Tobias

Hello Tobias,

To avoid disclosing any confidential information, I have created a support ticket on your behalf.

I already answered your inquiry there.

Thank you for your understanding.

Best regards,

Fatma Masmoudi
