End of Support for Windows x86 (32-bit)

2026-11-10 - Comments (0) - Announcements

Support for **Windows x86 (32-bit)** will be discontinued starting with versions after release R.2026.09. Builds of TRACE32 PowerView builds for Windows x86 (32-bit) will remain available upon request until **September 2027**.

This change does not affect Windows x86_64 (64-bit). Support and availability of builds for 64-bit Windows will continue unchanged.
