Is TRACE32 Certified or Qualified According to ISO 26262?

2026-08-11 - Comments (0) - TQSK

TRACE32 is not inherently certified under ISO standards like ISO 26262. However, Lauterbach provides a Tool Qualification Support Kit (TQSK) to assist users in qualifying TRACE32 for safety-critical projects.

For detailed information and resources, you can refer to the following documents:

- TRACE32 Tool Qualification Support-Kit for ISO 26262
- Using TRACE32 for ISO 26262
