## Is TRACE32 Certified or Qualified According to ISO 26262?

2025-05-20 - Comments (0) - TQSK

TRACE32 is not inherently certified under ISO standards like ISO 26262. However, Lauterbach provides a [Tool Qualification Support Kit \(TQSK\)](#) to assist users in qualifying TRACE32 for safety-critical projects.

For detailed information and resources, you can refer to the following documents:

- [TRACE32 Tool Qualification Support-Kit for ISO 26262](#)
- [Using TRACE32 for ISO 26262](#)
